GREETINGS!

Dear Milwaukee Public Schools Volunteer:

Thank you for deciding to be a volunteer in Milwaukee Public Schools. We truly appreciate that you choose to set aside some of your time to help our students succeed.

Your commitment will help our efforts to create positive outcomes for all MPS students. Only through collaboration with parents, stakeholders and community partners can this goal be achieved. Our volunteers take on a variety of tasks from reading books to children to overseeing playground activities. Your contributions play an important role in creating an engaging educational environment where students are eager to learn every day!

It takes a community to provide our children with high-quality educational opportunities that foster life-long learning. With your help, we can provide that extra support to our educators, so our students can reach their educational goals.

If you know someone who would be a great MPS volunteer or would like more information about volunteer opportunities that are available, please contact the district's Volunteer Services Associate at 414-773-9823 or volunteer@milwaukee.k12.wi.us.

You will find your volunteer experience fulfilling and rewarding, knowing the time you provide is making a difference in students' lives.

Best,

Keith P. Posley, Ed.D.
Interim Superintendent of Schools

OVERVIEW

Purpose

This volunteer handbook has been prepared to provide guidance and direction to volunteers serving the students of Milwaukee Public Schools.

The purpose of using volunteers in MPS is **to maximize the academic learning and personal growth for all students by having volunteers assist teachers, provide enriching experiences and contribute to creating safe and welcoming learning environments.**

Definition of an MPS Volunteer

Milwaukee Public Schools has traditionally supported the work of volunteers in the district and appreciates the valuable resources volunteers provide to the district. Under Milwaukee Public Schools Administrative Policy 7.31:

- A volunteer is a non-paid individual serving under an MPS staff member.
- A volunteer provides services on a regular and on-going basis or more than five hours a week.
- Those interested in becoming a volunteer for an assignment that is more than 5 hours/week or is a regular or on-going opportunity, must complete an online application and are subject to a criminal background check prior to serving as a volunteer.

Volunteer Staff Supervision

Each school has a designated staff member who interviews, places, advocates for and leads recognition efforts for the school's volunteers. This is an MPS employee (e.g. assistant principal, parent coordinator or other employee) selected by the principal. Volunteers will be assigned to a supervising staff member by the volunteer point person.

The MPS Volunteer Services Associate coordinates and manages volunteer services for the entire school district.

APPLICATION PROCESS

Application Process

Before being placed, applicants must do the following:

1. Complete an online volunteer application found on the MPS website.
(Applicants under 18 must submit an online application signed by their parent or legal guardian.)

2. Undergo a criminal background check and await email notification for approval.
3. Create an online account on VicNet.
4. Contact the volunteer point person at their desired school to determine their volunteer assignment and start date.

Volunteers Not Approved

Applicants who do not pass the criminal background check will receive an email notification informing them they have not passed the criminal background check. An official letter will also be sent to the applicant from Truescreen. Volunteers who wish to appeal must follow the instructions in the letter.

Volunteer Application Renewal

Volunteer background checks are good for one year. Volunteers will receive an email notification when they need to renew their background check. If the volunteer would like to continue volunteering, they do not need to do anything. A screening will be automatically processed for them.

Volunteers who do not wish to renew their application should complete an [MPS Exit Survey](#). Completion of this survey will automatically remove their volunteer application from the volunteer system.

VOLUNTEER RESPONSIBILITIES

Volunteers are to:

1. Share their interests, skills, expectations, preferences and availability during the initial interview.
2. Accept the volunteer job with the intention of following through in a dependable manner, and to seek the assistance of the supervisor when needed.
3. Make necessary arrangements when unable to carry out their volunteer duties.
4. Participate in orientation and job specific training provided by the school.
5. Follow all policies and procedures of the volunteer program contained in this handbook.
6. Maintain confidentiality of students, staff, volunteers and school.
7. Discuss suggestions and concerns regarding their volunteer role.
