

YOU made an impact! Thanks to your support, thousands more teens were equipped with financial literacy knowledge, tools, and mentorship in 2019-2020.

Now in its 15th year, SecureFutures is a leader in teen financial literacy with programs that have impacted over **85,000 teens**. Amid the challenges of the new educational landscape created by COVID-19, SecureFutures adapted quickly to ensure that our programs continue to reach the students who need them, so that every teen can graduate from high school with the knowledge and support they need for **a lifetime of financial capability**.

## 2019-2020 Impact

**7,279** students served

**232** volunteers

**121** schools and community sites

## Money Path

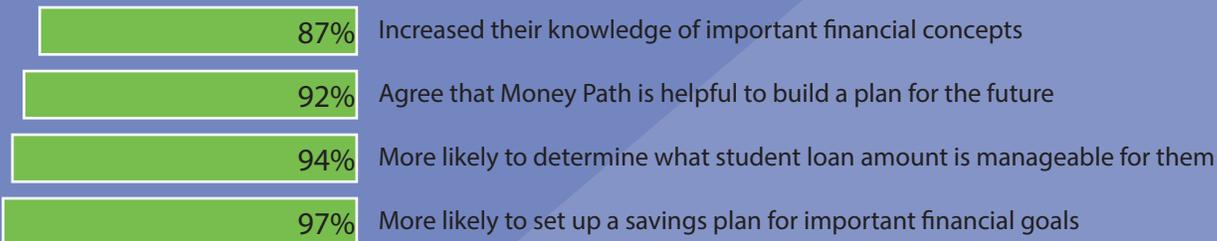

Our comprehensive and unparalleled web-based software tool guides teens through a step-by-step simulation of life after high school, uniquely linking academic and career planning with financial planning.

### 2019-2020 Outcomes

**3992** students | **76** sites | **72** volunteers

*Results include both virtual and in-person programming*

Student financial habits after Money Path:

*(Of 823 students surveyed 2019-2020)*

“ I really liked how we had a class that taught us about real life situations and how to manage money. I was so glad to learn something that would actually benefit me in the future. ”

Nouce, HAPA high school student

# Money Coach

Our unique financial mentoring program addresses the racial wealth gap, offering teens from underserved communities the knowledge and support to develop strong money management habits for a lifetime.

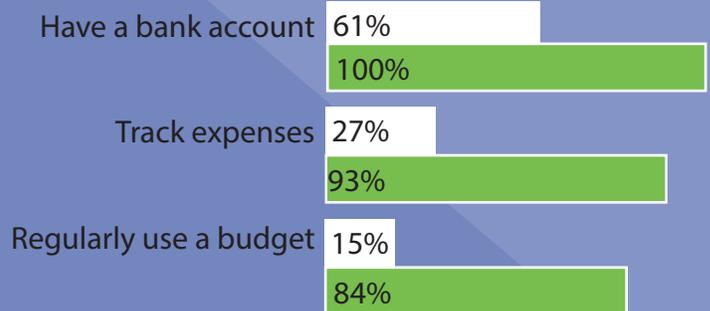

## 2019-2020 Outcomes

**453** students | **23** sites | **86** volunteers

*Results reflect total enrollment before pivot to virtual learning*

Student financial habits before and after Money Coach:

*(Of 1024 students surveyed 2013-Fall 2019)*

“ My favorite thing was how engaged the coaches were with us students. I learned a lot of important things that will help me make better decisions. ”

Janae, Rufus King high school student

# Money Sense

Our financial fundamentals program introduces teens to financial literacy basics like budgeting, banking, credit and loans. In the upcoming school year, SecureFutures will launch Money Sense Flex and Money Sense On Demand, two new delivery formats to better meet the needs of educators in virtual and hybrid-model learning environments.

## 2019-2020 Outcomes

**4,273** students | **79** sites | **140** volunteers

*Results include both virtual and in-person programming*

**93%** of Money Sense participants say the course will positively affect the way they handle money
