

If you are interested in volunteering with **Milwaukee Public School students**, please follow these instructions:

1) It is vital that you designate “SecureFutures Volunteer” in the “School/Escuela” preference drop down when completing this [MPS Volunteer Background Check Application](#).

- It is easiest to find the SecureFutures option by clicking on the dropdown and typing “S”.
- You do not need to select a specific school or complete choice 2 or 3.

2) Be sure to complete the fields that are marked with an *asterisk as they are required.

- Note that Social Security Number is requested, but NOT required.

3) Upon completion, you will receive an email that invites you to create a VicNet account, which is MPS’s volunteer portal.

- VicNet accounts are required for all volunteers, so set up your account as soon as you receive the invitation.

Once you create your VicNet account, be sure to take a look at the Volunteer Handbook and complete the Agreement Form. You should also track your volunteer hours through VicNet.
