

# Money Path: Student Assignment

**Money Path ([moneypathapp.org](http://moneypathapp.org)) helps you build personalized career and financial plans.**

**Create and Save 3 different paths that reflect your interests and future goals.**

**Click into “Saved Paths”, select each of your three paths and compare them against one another. Save a screenshot of the comparison page and submit.**

**Choose (2) of the short essay questions below to reflect deeper on your Money Path experience.**

- **Reflection Question #1:**  
After going through Money Path, did the way you feel about life after high school change? What did Money Path help clarify for you? Was there anything that made you feel excited, confident or nervous?
  
- **Reflection Question #2:**  
Think about your dream career path. Using what you have learned about starting salary expectations for this career, a budget based around this salary, and your funding expectations for school, is it still your ideal path? Why or why not?
  
- **Reflection Question #3:**  
Reflect on your long-term goals - how does your budget allow you to reach those goals? What other factors aren't considered in Money Path that could affect your ability to reach those goals?
  
- **Reflection Question #4:**  
Discuss the paths that you created with an adult in your life. Ask them how they decided what to do after high school and if they would have made different decisions if they could do it again. Summarize and reflect upon your conversation. What did you learn? What are you going to research or explore more before making your own decisions?
