Class Code

Questions:

1. What does money mean to you?

2. What is your “Dream Career”?

3. Top 3 colleges you want to attend or companies you want to work for?

4. Where do you see yourself in 5 years?

Reflectin Questions:

1. What information or concepts discussed today were new to you?

2. Did any information today make you rethink your path after high school?

3. How confident do you feel now compared to before the session about making informed financial decisions in the future?

Action Steps:

1. Financial Literacy - Continue learning about as many financial topics as possible. This will help build and maintain financial knowledge and skills.

2. Open a Savings Account - If you don't have one, open a savings account to start building savings. Set financial goals and establish a savings plan.

3. Budget Wisely - Create and stay true to a budget that allocates funds for essentials and savings. Prioritize needs vs wants.

4. Talk About Money Path with a Trusted Adult - This opens up opportunities for family discussions around financial literacy, allowing parents to share their own experiences and advice.

5. Revisit Money Path App - By revisiting the Money Path app you can reevaluate your budget and spending habits to ensure they still align with your goals and current financial situation.

Notes: _____

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and extend across the width of the page. There are no margins, text, or other markings on the paper.
