

PLAY: Roll with the Market [Student Worksheet]

The basic principles of investing may seem simple - “buy low, sell high”. However, psychology can make it more complicated. Will you win, lose, or miss out? Find out how your feelings while investing could impact your bottom line.

Part I: Instructions

1. Listen to your teacher’s instructions to play the game.

Part II: Play the Game

2. As you play each round of the game, fill out the table below.

Round	Starting Balance	In/Out of the Market	1 Die Roll: Market ↓ or ↑	3 Dice Roll: Total	If OUT, Add +1	Ending Balance
1						
2						
3						
4						
5						
6						
7						
8						
9						
10						

Part III: Reflect

3. What emotions did you experience in the game?
4. Did your strategy change between rounds? Why or why not?
5. What did you learn about yourself and your tolerance for risk?
